D1

” WE PUT
FUN INTO
FUNCTION ”

LEISURE SEATING

When comparing office spaces with nature islands, you may find the similarity: each of them is independent and interdependent to another thus forming a whole and diverse system. D1 sofa series includes screen, sofa, training table, and stool units for free combinations, helping create integrated office environment for co-working, negotiation, learning, socializing, and relaxation.

Inspiring "Islands" in Your Offices

"Islands" that Empower Cross-team Collaboration

Delicate Stitches for Stereo Shape

The high backrest is designed with a stitch-segmented contact side with internal car seat snap joint to implement ergonomic stability and vividness in vision; Flexible modular units can be put together to form diverse combinations; Beveling armrests give natural and sufficient support to your arms, making you comfortable during reading.

User-friendly Details

Tea table with rounded corner expands the smoothness of the sofa module. USB interfaces and wireless charging are equipped to meet power supply needs.

Inspiring "Island" for Brainstorming

Open and private spaces with different accessories are created for different tasks. Corporate office environment becomes more flexible and multifunctional with D1 modular units.

D1 series — Modular sofa

Stylish and Energetic

Breaking the dullness of conventional modular furniture, D1 sofa series is designed with artistic elements .

Inspiration Trigger

Smooth lines and plump shape make it look like a candy. 9 configurations are available for your free design.

Sweet Doughnuts

Sweet Doughnuts

D1 stools can be combined to form a circular set. One may be switched to a tea table of the same shape with USB and wireless charging to make the set more functional. Such creation brings inspiration and fun to your offices.

Training "Island", Cozy Learning

Sit on D1 sofas and absorb knowledge with relaxed mind and gestures. The "Island" configuration including one/two/three-seat sofas breaks the communication baffle so everyone can be seen and heard. The mobility white board records every pop-up ideas. Small stools can be added or removed to adapt to more or less participants. Flexible, cozy, and convenient.

Comfort Aftertaste

Negotiation "Island", Puffy and Soft

Quality setting sponge is padded based on the larch wood frame, and the surface fabric upholstery is elastic and soft, together making the sofa highly resilient and comfortable to sit. Natural grey and blue colors create a refreshing atmosphere to the negotiation space.

D1 series — Candy stool

User-friendly Band Design

The upper band includes an open handle for placing paper material. Available in 7 colors, spaces can also speak different tones.

Colors Have Different Tones

Artistic Round Stool for Higher Mobility

The short and round stool is inspired by the delicious macarons, adding more fun and taste to spaces. The open handle makes it easy to lift and move around.

D1

"ENJOY
A COZY AND
REFRESHING
MOMENT"

LEISURE SEATING

Quite "Island", Chill Your Mind

The high screen-style backrest offers you comfortable leaning while ensuring privacy. Thinking by yourself or taking a noon nap here, you can easily freshen up with new ideas. This sofa set is also suitable for a sweet tea break.

" Island "

For Reading

"Island" for Immersed Reading Space

Release your mind, release innovative ideas. You may sit here with a relaxed gesture to release the working tension on your mind and body. The unique U-shaped section and color matches inside out give you all-round mental and physical comfort.

Reception "Island", Welcome to D1

This is the reception space which we can call it "a style". Comfort and privacy are provided to the maximum extent. Program discussion with clients in such place is more close and smooth, and output from both sides can be obtained efficiently.

D1

"INSPIRATION
COMES OF
WORKING
EVERY DAY."

WORKSTATION

Flexibility of a workplace is like the eco-system of an island: with different natural elements to make it vibrant and rich. D series includes screens, tables, seatings, and other office facilities, which integrate working, communication, leisure and other working modes harmoniously, providing a healthy office ecosystem.

1200mm-high panel screen with acoustic material surrounding the desk helps build an individual working space where you are freed from visual and sound interference.

How to balance me-working and co-working? A screen in the middle let users flexibly switch between focused work and discussion with a partner beside.

Office Leisure Zone

Leisure zone

Be there when you need a time off. A leisure unit built with D series products: a single sofa with high backrest, a panel screen, and a matching table top. Relaxing/reading/working/resting here when users need a time alone would be a perfect choice.

" Island "

Phone booth

Booth "Island", Interference-free Talk

One of the table feet can be equipped with a U-shaped truck for managing cords and wires under the table, leaving more safe and neat knee space.

Screen with a pencil box base

The base is as steady as a rock.

Ideas puff out

Colorful and puffy D-series ottomans help relax working tension, and e-training board with casters can be easily moved around and be used for hand writing, together creating a cozier innovation-driven training and brainstorming space.

E-face-to-face experience

The e-training board from D series is designed to serve as a holder of a multimedia display screen. Course training, presentations, online video meetings for teams can happen here with a further matching table and chairs.

Colorful Bench

D series includes colorful benches which turn out to be the most sharing and welcoming items in the office. Staffs are closer by sitting next to each other on the bench, which also increased the space utilization.

A Space that Knows You.

D series, generated for inspiring, interesting, and cozy working experience, combines and separates focused work and collaborations in a harmonious form, offering versatile options to various tasks.

D2
SEA
"ISLAND"
JOURNEY
AHEAD

What would it be like if we can only sit and enjoy leisure of a sea island tour? Sit here on D2 sofa, and it will show you the way.

Artistic Islands—D2 sofa set

The designer shapes D2 sofa set into the natural profile of sea islands, making the sofa set itself look like a troop of islands yet bringing aesthetic, modern, and well-proportioned charms to spaces. Unveil it as a perfect match to grandentries, VIP negotiation areas, art galleries, high-end hotels... Communication in such spaces is a certain treat to your body and mind.

D2 innovatively introduced a wide array of seating shapes to enable the 1+N kinds of combinations, creating a relaxing, free and flexible space that is shared by all.

New sofa

Back-sharing island

Low-back island

Backless island

Bench island

Stool island

Artistic Island concise and smooth

Colors from Nature

D series gets its inspiration from lush mountains, lucid waters, exuberant maple leaves, crystal blue sky, solemn dark nights... Chosen EPU leather and elastic hemp make every touch a pleasure.

Aesthetic Like A Work of Art

Your stay on these "islands" might be fleeting, but is guaranteed to be unforgettable. D2 sofa set, a journey to new sitting experience and futuristic spaces.

Smooth & Supple

TOUCH

High-density foam is chosen to distribute the weight. And the cushions will not flatten or clump over time.

With Shape from Nature and Scientific Techniques

The high-strength steel frame inside the backrest and a solid wood frame shaping the seat combine into the overall firm and supportive sofa structure. Soft and elastic sponge is padded to imitate the sand beach sitting experience. The loop-shaped bottom wooden stand is also effective in skid and moist resistance. Natural beauty as it possesses, techniques hold it longer-lasting.

Multiple Backrest Options

A curated list of options allows people to maintain a sense of autonomy. Low back/ no-back lounge seating and stools putting together or used solely display more possibilities of spaces.

D3

"PRESENT
AN
EXTRAORDINARY
TASTE"

LEISURE SOFA

D3 lounge chair, with its shape inspired by free-swimming conches, brings artistic atmosphere to your spaces.

Caring Island—D3 sofa set

The whorl pattern is the featured design element of D3 lounge chairs, which represents the idea of liveliness and vitality we wish to bring to offices. Space characters as it enriches, sitting experience on the lounge chair is also improved. You may invite friends and partners to have free-topic talks here with relaxed gestures. Physical comfort helps release imagination and creativity.

High Backrest, A Touch of Luxury

Everyone needs a showoff time in certain life stages. D2 lounge chair, with its understated fashion, appear as a nonverbal symbol of your privileged identity.

Well-proportioned Segments, Support Lumbar and Back

Precise cutting of padded sponge and calibration of each stitch ensure perfect shape and strength of the chair. Segments proportioned based on ergonomics distributes sufficient contact space to give effective support to your back and waist. Relaxing here is a good choice for you to refresh.

Medium Backrest, Just-right Elegance

We can release our individuality more fully when we are alone. D3 medium height lounge chair endows just-right elegance to the space to flow with your unique personality .

A Treat to Your Skin

Spliced Leather, Double Enjoyment

The three-finger wide pinholed leather is spliced on the seat edge to enhance durability and add another highlight to the chair, artistic and air-permeable. Danmark-imported KU fabric with good dimension stability ensures smooth surface with high resilience and effective moist resistance. Double material, double enjoyment.

Low Backrest, Free Communication

With no block of sight, you can turn to any side and share your opinion and ideas in a more free and easy way. The smooth appearance and swivel mechanism are integrated into a small size, offering you comfort in any spaces.

Outstanding Details Inside out

Extended aerospace steel frame ensures firmness and loadbearing of the chair base; setting cotton provides more comfort; Matte paint four-star aluminum alloy feet, free you from the footprint bother; swivel mechanism is designed for more flexible use; Oblique egg-shell backrest is more supportive to your arm and elbow when changing between gestures.

A Certain Treat to Your Home

Home can always be nicer if you allow it. The delicate low backrest expanded to the ground looks more stable and supportive. Sit on D3 lounge chair and bath in sunlight, a cozy and lazy moment makes your day better.

Visual and Tactile Elegance

In offices, at home, or in any places you might be, once you decide to sit, D3 sofa can serve as a comfort provider, space delighter, and personality reflector.

D7
ENJOY
THE
BEAUTY OF
NATURE

Like waves kissing the island,
stars smiling at the sea,
and sunlight blinking at trees.
Forests, gardens, canyons, oceans...
All beautiful elements of the natural world gather here.

Crafted based on the shape of an exclamation mark, D series becomes a special refuge from the strains of modern living. The verdant color symbolizes strong vitality, encouraging people working here to embrace more challenges.

Vibrant and Varied ○

The evening sunlight is gliding the tip of the hill and shedding its rosy rays on the rippling water. The ingenious mix of amber orange and cloud white reminds people of the cloud waves drifting through the golden evening mist.

Unlimited Landscape

The modular design of D series provides a relaxing space for people to chat up, take a sip of coffee, meet friends or join in group activities. A lot of opportunities are unfolding on this island.

Dynamic curves are applied to create a solution that is elegant in its simplicity. People can be engaged in both face-to-face communication and private concentration. It is a timeless design that's always in season.

The interaction with nature endows D series with a rich of interpretations of art.
