OLIVE

Sunón

CURVED SURFACE DESIGN.

Olive is an office chair featuring flowing curves. The design highlight is that any part in contact with the human body forgoes the straight and square routine and embraces a smooth flow. By doing so, Olive casts a dynamic spell on the space, creates a sense of affability, and alleviates the tension in the air.

An All-curved Pressure-relieving Chair

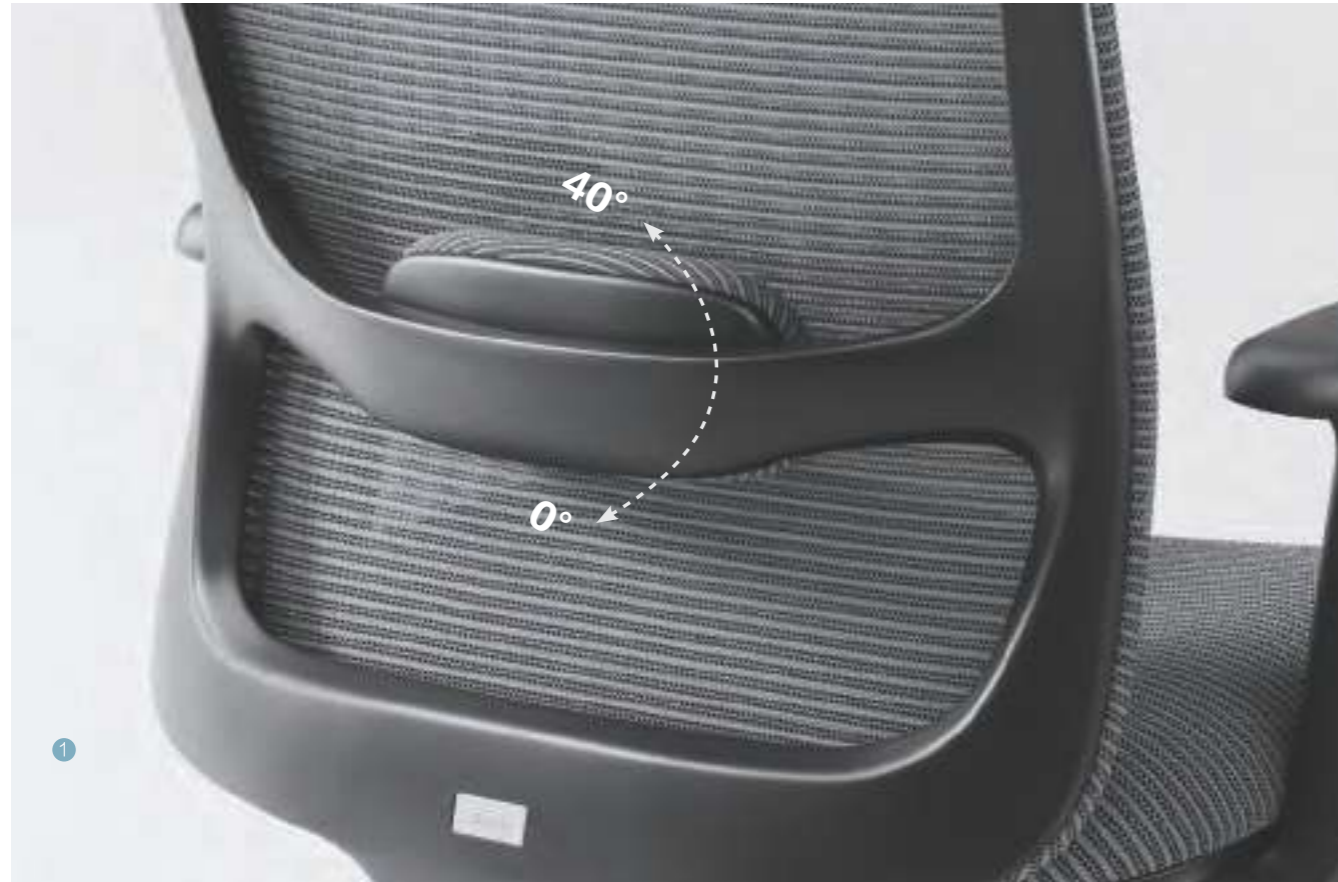

Olive's all-curved surface perfectly fits with the lines of your shoulder, waist, back, hip, and arm, and helps you to maintain a relaxed condition. It offers a package of five configurations to indulge you with a pressure-relieving sitting experience throughout working hours.

Curved like a cascade, the cushion effectively relieves the pressure felt by your knees and promotes the blood circulation process. Also, it can be moved forward and backward within a range of 55mm. Expanded seat depth effortlessly accommodate people of different body shapes.

BIDIRECTIONAL MOVABLE CUSHION

1. 40° rotatable lumbar support
Give you appropriate support no matter what posture you are in.
2. Tilt tension control
The tilt tension can be adjusted by setting the mechanism.
3. Reliable nylon base
Injection-molded as a whole; excellent weight-bearing capacity; stylistic curving facets.

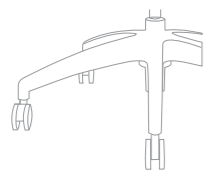

Vibrant lines and harmonious color schemes endow this space with more connotations.

PU-upholstered armrest

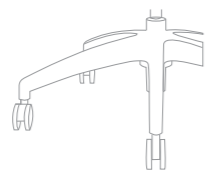

70mm adjustable height based on ergonomics gives your shoulder, arm, and wrist strong support; soft PU upholstery is skin-friendly and comfortable.

**Recline with ease**

No matter you are sitting up, reclining, or lying on one side, four-gear adjustment and omnidirectional shoring make you feel valued and supported at every level.

White nylon base

Black nylon base

Sled base

Two bases available

Nylon five-star bases bring smooth communications and PA casters cause no harm to the floor.

Sled bases bent at one go provide long-lasting companionship and make you focus on the discussion with its excellent steadiness.

Mesh back is airy and light, and as responsive as your own shadow.
