Mandis

V-shape seminar model

Say goodbye to the monotonous meeting spaces. 5 shapes of tabletops adapt to different meeting requirements and the unique V-shape minimizes visual distractions.

Compression without compromise

Optimize your real estate footprint through a practical folding control.

Honeycomb shape-team collaboration

Honeycomb shape is the perfect solution for team collaboration, creating an equal and welcoming atmosphere. Eco-friendly board resists friction and erosion, and stays as good as new with a wipe.

Rectangle-shape (with rounded corner)—training model

Rectangle-shape enables face-to-face communications and brings a collision of ideas. The rounded corner avoids bumps and enhances visual aesthetics.

Rectangle shape- group discussion

Flexible casters move freely and silently. Unique legs that are elegantly shaped provide long-lasting support for the countertop. This training desk can work together in countless ways to adapt to enduring changes.

Mdecor

Begin Your Training with Mdecor System

Efficiency always takes the first priority when it comes to staff training. Mdecor collects desks, cabinets, and white boards for efficient learning. The feet design takes inspiration from elegant ballet dancers and the chair is easy to move with omni-directional castors. Mdecor tables can be easily folded and stacked, saving more room for different training lessons.

Come and Go at Your Will, Suitable for Interactive Learning

Begin your training with the Mdecor system, and motivate yourself to become a fast learner in heated discussion. You could pull the table over, or go towards the group and join them. The castors are flexible in height within the range of 5mm to maintain table stability. Suitable for groups of four to eight members, Mdecor is a smart choice for small-space training.

One of a Kind, Linear Arrangement for Professional Training

Desktop with wood grain is available for choice to build a space of warmth and care and a space for efficient learning.

Dual-color Banding Technique with Touching Hook Details

The perfect match of warm white and mocha color and seamless banding carries beauty into details. It is equipped with a hook rather than a table pocket, freeing your legs with larger space. With a height of 66cm, the desk is perfect for hanging your bag and umbrella.

U-shape Ensures High Concentration

Be undistracted, and follow the lecturer to explore the vast sea of knowledge.

Arc-Shape Layout Minimizes Visual Distractions

The casters adapt to the evolving requirements, and can be locked when necessary.

It can work together in countless ways to satisfy the needs of different-sized meeting.

Easy to Stack, More Space for Sharing

The innovative design of the foldable desktop with a switch in the middle edge allows you to turn it by 90° using only one hand. The modesty panel moves with the desktop to maintain its all-time beauty. Mdecor could be stacked to save more space.

Neatness is everywhere

Two types of functional white boards with or without a cabinet, designed with a concealed slot on the bottom edge for hanging a pencil box, in which eraser tools and pens are well placed. 185.5 cm high, suitable for people of various heights to write on.

Neatness is highly required in learning space. L-shaped mobile cabinet that can be sit on includes one drawer and three chests: an experienced organizer at your service.

Trans

**Trans, leisure
work and free
communication.**

Break the Boundary

Brainstorming at any time.

A place where different ideas meet.

A rich of feet and colors offer options for every aesthetic.

A place to settle in and tackle a few tasks.

Rebuild the communication experience.

The training space needs to be flexible, interactive and fun to motivate employees' creativity. Trans series training tables are available in a variety of colors and types of feet, It is a highlight when standing alone and a fine match to other products. Folding storage design offers more possibilities for storage. The Y-shaped metal foot allows the training to be active and orderly.

APO

Designed to use less, yet deliver so much

Minimalist shapes in ivory white highlight the orderliness and neatness of the training space.

Available in 2 bases and 3 configurations, Apo's high-precision steel leg with casters ensures steadiness as well as agility, and flip button design saves the space efficiently.

Welss

Inspiration never stands by, and sharing should happen anytime, anywhere. Welss training series is equipped with a T-shaped podium, convenient for giving a speech. Mobile whiteboard helps you to share your ideas with everyone present, clearly and visually.

Training Chair

Arms

The shape of the armrest is inspired by the eagle wings, which makes the overall shape dynamic and powerful, adding vitality to the quiet office space. The seat plate is reversible, which makes it easy to be stacked and carried.

Diamond

How can training unfolds in an orderly manner without a training table? Diamond training chairs have different foot shapes in brilliant colors. With tables and chairs, you can also configure it with a writing board. Enter the agile training era quickly.

People can have discussions at this space. The S-shaped chair back line follows the natural spine curve to offer proper support to you back. The lumbar support is hollow to be more breathable. The flexible universal castor is equipped under feet for easy turning around. Let discussion and communication happen anytime, anywhere.
