## Brilliant and Gorgeous Like A Butterfly

Butterfly, naturally matured with unique beauty and elegance. Since it was little, the caterpillar wraps itself in the cocoon for strengthening its strength, maturing its wings, and waiting for the day of transformation. The butterfly chair is inspired by the butterfly wings. The designer transforms the support structure of the wings into a Y-shaped back frame of the chair. The chair looks like a dancing butterfly while giving you sufficient support and accompanying you through every stage of your progressive career.

Colorful and Free Butterflies Fly into Your Office

## Imported Fabric with Powerful Support

The butterfly wings are covered with nervures, which act as a solid skeleton that allows the butterfly to dance free of gravity. The Butterfly chair adopts this natural beauty as well as its practicability. The Y-shaped chair backrest gives reliable support to your back and waist. The elastic and breathable Wintex fabric imported from Korea is embedded into the back wings that are directly expended from the backrest and are mounted on a Y-shape bracket, vivid as a butterfly spreading its wings. 8-hour company gives you leisure mood in work.

## Spine-Fit S-Shaped Backrest, No Need for A Lumbar Support

The Y-shaped back frame is the bone of the chair, so the S-shaped backrest is like flesh and vein shaping the overall look and providing spine-fit support to your back and waist. There is no need for a lumbar support because the ergonomic backrest follows your gestures in different positions, giving you reliable support in various working statuses.

### Storage Function of Backrest, Adding Fun to Practicability

The Y-shaped back frame is designed with a 40cm\*50cm large-capacity storage space for nap pillow, bags, and files. Working areas are thus neat and clean. What a fun design to an office chair!

### 9 Colors for Lightening Your Office

Butterfly lingers in flower branch with its wing shining like soft silks. As gorgeous colors and patterns are presented on butterfly wings, Butterfly chairs are available in 9 colors, decorating your office space and ending different characteristics to spaces.

Butterfly chairs appear as elegant highlights to sedate conferences. With a light mood, communication here is boundless and free. On the road of chasing our dreams, butterfly chair helps us march forward.

## Show off Your Beauty and Intelligence

Butterfly chair adopts not only the natural aesthetics but also functionality as a chair. The high-end version is equipped with Italian Donati self-load mechanism with four-position locking, which allows the backrest to be automatically adjusted according to individual body weight. The locking function ensures a more comfortable rest in noon nap. Both fixed armrest and adjustable armrest are available. All these details aim to offer a better choice to you.

Headrest height adjustment range: 0-45mm

Armrest adjustment range: 0-85mm

20° backrest tilt angle, self-loaded  
four-position locking

Chair base adjustment range: 0-100mm

Armrest left-right adjustment range: 0-32°
