H2

Sunon

Yoga-based Spine-friendly Chair

Ergonomic, relaxing, spine-friendly.
H2 is designed with edgeless comfort.

A Masterpiece Of Ergonomics

Sunon spent 3 years researching 4000 sitting posture samples and developed this pioneering 4.0 dual-back chair, which conforms to different people's bodies to provide dynamic spinal support.

H2 offers common but differentiated support for cervical vertebra, thoracic vertebrae, and lumbar vertebra, shielding you from the hazards caused by sedentary working.

Here are some of the benefits of the bridge pose:

1. Help strengthen back muscles;
2. Relieve a tired back;
3. Benefit your chest, spine and neck;
4. Help to reduce anxiety, depression, and stress;
5. Benefit the digestion system.

With bridge posture integrated

Just like spines lift up as yoga bricks pile up, the lumbar support allows edgeless gear transition to accommodate different working modes, achieving the flowing movement of spines under various gears.

Here are some of the benefits of the bridge pose:

1. Help strengthen back muscles;
2. Relieve a tired back;
3. Benefit your chest, spine and neck;
4. Help to reduce anxiety, depression, and stress;
5. Benefit the digestion system.

Set your own comfort

The pioneering 3D dynamic dual-backs support the fatigue-prone 4th-5th section of lumbar vertebrae, reducing the chance of lumbar subsidence and hunchback, and effectively preventing spine-related problems.

Move with your body

30-degree synchronous swing from side to side makes H2 fit your body like a glove, activating the hidden functions of your waist and relieving your pressure effortlessly.

Comfortable throughout working hours

According to sitting biomechanics, the strong bracing provided by lumbar support helps your lumbar vertebrae to maintain a natural curvature and mitigate the stress felt by it.

Dealing with back pain is difficult enough, but when also have a depressed mood, poor digestion, and any of the other posture-related problems, it can dramatically impact your quality of life.

Flexible tilting adjustment

133° 4-gear tilt allows you to personalize your postures. 55mm seat depth adapts to people of all shapes and statures.
